## A message from the Golf Committee

We are thrilled to invite you to participate in the 4th Annual GTTI Golf Classic. To date, this annual event successfully raised over \$42,000 thanks to past guests and sponsors.

Since its inception, GTTI has impacted more than 520 community members by providing marketable skills, training and learning opportunities that adapt to the changing needs of community members and businesses. We have brought trades and industry certification training to Georgina, and continue to deliver programming that helps participants achieve their education and employment goals.

As a registered not-for-profit and charity, funds raised at our annual golf classic are instrumental to supporting students and the development of new program opportunities. This year, your participation will directly support the following programs:

- Electrical Pre-Apprenticeship Program, delivered in partnership with Fleming College
- Welding CWB Program, delivered in partnership with Georgian College
- Industry Certification training including WHMIS, First Aid, Fall Arrest, Scissor Lift Training

Whether you play in the tournament, provide a sponsorship or simply make a donation, you make an immediate and definite impact. There are several sponsorship opportunities available for your consideration as outlined on this page. We thank you for your interest in the tournament and forward to seeing you on the greens!

Robert Grossi  
Mayor, Town of Georgina

Michael Baskerville  
Golf Committee Chairman
